introduction

Hi family and friends, we have decided to create a wedding brochure with information that may help you with booking your trip for our destination wedding..

We are feeling grateful to have our close ones celebrating our special day with us, in a beautiful destination.

WEDDING VENUE

Nam Nghi peninsula

At the moment the resort is going through a revamp and it's currently closed at the moment, however they are still holding private weddings at the venue. Please don't be alarmed if you search the venue on google to have a look at the venue and rooms, and it says 'permanently closed', this doesn't change any of our plans of having the wedding there - it is very much happening there! Also, their website is down at the mean time, if you'd like to check out information in regard to the venue or villas, check out Tripadvisor.

All of their one bedroom villas are also ready to stay in. The villas are currently standing around 6 million per night (approximately £200/\$400 NZD per night). We do want to advise that there are many close resorts to also consider that are half the price, however if you are interested in staying at the villa for the night of the wedding or night prior etc, please just let us know and we will arrange it with the wedding planner and owner of the resort.

We currently have around 4 rooms booked there for the night prior and of the wedding.

The finer details

RECEPTION

We kindly ask that all guests arrive at the venue by 4:00 PM for a 4:30 PM ceremony start. After we exchange vows, we'll ease into cocktail hour, where we can enjoy drinks and conversation. An intimate time to sip, chat, and soak in the sunset together. From there, we'll gather for a seated dinner, followed by a night of music, and dancing, as we celebrate the night away!

TRANSPORTATION

To make your experience as seamless and stress-free as possible, we'll be arranging transportation to and from the venue for all our guests.

Once accommodations are booked, we'll gather those details closer to the wedding date to coordinate everything smoothly.

ATTIRE

Dress to impress but most importantly, dress to feel your best. There's no set color scheme for our guests, so feel free to wear what makes you feel confident and comfortable.

GIFTS

Your presence is truly the greatest gift we could ask for. Should you wish to give something more, a monetary gift would be warmly appreciated.

FLIGHT INFORMATION

TO THE ISLAND

The main mode of transport that we recommend is flying to the island. We have collated a list of majority of direct flights to Phu Quoc Island, with the name of the city, airport code and approximate duration of the flight.

Phu Quoc International Airport (PQC) is the airport for Phu Quoc island. These are the major direct routes to Phu Quoc, however just be mindful that some of them are seasonal or only run a few times per week.

TOP ATTRACTIONS

ON PHU QUOC ISLAND

These are the main activities and attractions on the island. These can also be found on TripAdvisor.

If you'd like help or advise with booking certain activities, just reach out and were happy to help with the knowledge that we have from previously visiting the island. Apparently Jerrys Jungle Tours are great.

Also if you're interested in a particular half day or day activity, let us know and if we have enough people to form a group, we could book it together :)
